Important Notes to the Illustration

The initial benefit shown for each individual is the amount that will be paid on death during the first policy year. The benefit will increase by 60% of the selected premium update each year. This increase will be on the previous years benefit.
The benefit increases will cease if a waiver of premium claim is accepted by Botswana Life.
If selected, the Mmoloki Extras benefit consists of the following:

- Double Accidental Benefit equal to the funeral cover selected will be paid in addition to the funeral cover, on accidental death of the policyholder and/or spouse.
- Continental Disability Benefit equal to the cover amount selected will be paid after loss of limb of the policyholder.The amount paid will be dependent on the severity of the disability as stated in your Policy Schedule.
- Premium holiday benefit due to maternity or retrenchment.The retrenchment and/or maternity benefit can only be utilized up to a maximum of 4 months or 8 months in any one 5-year cycle.

There is a 6-month waiting period on each application including cover increase, addition of beneficiaries and reinstatement of policy.

If selected, the EA991 provides emergency medical evacuation to the policyholder and/or their immediate family members while in Botswana or any other country in the SADC region. In the case of medical emergency, covered persons should call Emergency Assist to report the medical emergency and an ambulance will be provided. The helpline is 991 while within the borders of Botswana and otherwise +267 3904537 for calls when outside Botswana.

If selected, the Thuso 992 benefit provides emergency medical evacuation to the policyholder and/or their immediate family members while in Botswana, Namibia, South Africa, Swaziland, Lesotho or Zimbabwe. In the case of emergency covered persons should report the medical emergency to MRI and an ambulance will be provided. The helpline is 992 while within the borders of Botswana and otherwise +267 3901601 for calls when outside Botswana.

All claims must be submitted within 6 months of death otherwise Botswana Life will not be liable for the claim.

A 30 day no-strings, right to review period is allowed during which you may review the policy to ensure that you are satisfied with the purchase.

Premium Update: 5% Client _____
